## HIGH-QUALITY EDUCATION, HIGH STUDENT ACHIEVEMENT

Did you know that Canada has one of the strongest records of student achievement in the world?

In fact, in the most recent assessment from the Organization for Economic Co-operation and Development (OECD), Canada ranked ahead of other countries such as the United States, the United Kingdom, Australia and New Zealand on all scales – reading, math and science. Canada also has the 2<sup>nd</sup> highest rate of high school completion worldwide and Lester B. Pearson high schools have consistently achieved graduation rates exceeding 85% over the past five years.

## STUDY IN MONTRÉAL, QUÉBEC!

With schools located primarily on the Island of Montréal, the city offers a safe and affordable environment. It also has a culturally diverse population speaking both English and French as official languages.

## CURRICULUM DETAILS AND EDUCATIONAL APPROACH

Our language of instruction and curriculum is in **English** and designed to be rigorous, engaging and adaptable to the individual needs of each student. We offer a blend of subjects and elective courses that challenge students to think critically and creatively. Our approach emphasizes project-based learning, fostering collaboration and developing problem-solving skills.

## FACULTY AND STAFF

Our teaching staff is a dedicated group of professionals with diverse educational backgrounds. In their fields of expertise, they bring a wealth of real-world experience to the classroom. They are not just educators but also mentors and role models for our students.

We believe that the pursuit of knowledge doesn't end with our students. Our faculty is encouraged to engage in ongoing professional development through workshops, seminars and conferences. We also have an in-house program that focuses on innovative teaching methods, technology integration, and student engagement strategies.

## EXTRACURRICULAR ACTIVITIES

Our high schools encourage students to explore their interests and passions by participating in a wide range of clubs and organizations. These groups provide opportunities for personal growth skill development.

## SPORTS PROGRAMS AND ATHLETIC ACHIEVEMENTS

Our high schools offer a diverse range of athletic programs designed to foster teamwork, discipline, and personal growth. Each program is tailored to match varying skill levels and interests, ensuring that every student can find their niche. The students consistently strive for greatness, and their hard work is reflected in numerous achievements both on and off the field, such as, championship titles, individual honors, scholar-athlete recognition and reflected through community engagement. We also have our *Sport-Études program*, which is designed for high-performance athletes who are able to maintain high academic standards.
